All applicants must submit the required forms and participate in an interview to be considered for admission to Sugar Bowl Academy. SBA strongly encourages prospective students to visit the campus to meet students and faculty, attend classes and training, and participate in interviews. Applicants who are unable to visit SBA should contact the Director of Admissions to discuss alternatives. No admission decision will be made prior to the completion of the application process. Admission is determined by a number of factors including: a thorough review of all application criteria, academic standing, athletic achievement and potential, recommendations from the coaching staff, and social and emotional readiness. SBA adheres to the principles of good practice established by the National Association of Independent Schools and the Western Association of Schools and Colleges.

The \$50 application fee is a non-refundable processing charge and is not applicable to any future bill. Please make checks payable to Sugar Bowl Academy.

FINANCIAL AID

We recognize that you, as a parent, must consider the challenge of providing for your child's opportunity to attend SBA. We believe that your family's decision to join the SBA community should be based upon its academic, athletic, and community offerings, not upon the cost of attendance. We are aware that some families choose not to apply for admission out of concern for the cost. Every family will be asked to make a sacrifice, but it is our goal to make SBA available to families from every financial background. Therefore, SBA offers need based financial aid based on a family's complete financial situation as determined by the School and Student Service for Financial Aid (SSS). For more information regarding SSS, please visit <https://sss.ets.org/>.

ATHLETIC SCHOLARSHIPS

In addition to need-based financial aid, Sugar Bowl Academy students are encouraged to apply for athletic scholarships through the Sugar Bowl Ski Team, the Far West Masters, and the Lake Tahoe Ski Education Foundation. Applications for each of these scholarships are posted on SBA's website at www.sbacademy.org as they become available.

VISITING SBA

Prospective students are strongly encouraged to visit campus during the application process. To arrange a personal visit, contact the Assistant to the Head, Kelly Farrell, at kfarrell@sbacademy.org or (530) 426-1844.
