

Sugar Bowl Academy Winter Term Program

In addition to its full year program, Sugar Bowl Academy offers a winter term program to both boarding and day students. The goal of the program is to provide an opportunity for young skiers to develop their racing, nordic or freeskiing skills through superior training opportunities while continuing their academic studies in a rigorous college preparatory school.

Although Sugar Bowl Academy serves students in grades 8-12, the primary focus of the winter term program is the 8th and 9th grades.

In the 2011-2012 school year, the winter term program will observe two start dates. The five month program begins Monday, November 28th and runs through Friday, March 30th. Students wishing to complete a full semester in their home school may elect to enroll at SBA when school resumes after the holiday vacation on Monday, January 2nd.

Winter term students participate in the on-going Sugar Bowl Academy curriculum as much as possible. Detailed communication between SBA and a student's home school help to determine content to be covered during a student's time at SBA. When necessary, SBA welcomes input from parents, school counselors, and teachers from the student's home school about special projects or assignments that a child should complete while in attendance. The goal is to make the transition from the home school to Sugar Bowl Academy and then back again as seamless as possible. Occasionally this will require special tutoring assistance, and parents will be billed for such individualized instruction.

Tuition for the winter term program including ski team fees is \$13,650 for a day student (8th-12th grade) and \$25,200 for a boarding student (8th-12th grade). Students who enroll for the winter term are permitted and encouraged to continue attending SBA through the conclusion of the school year at no additional cost.

2011-2012 Winter Term Program Calendar

October 2011	Initial conversations between SBA Winter Term Coordinators and winter term families regarding academic course work.
November 1, 2011	Winter term packets mailed to winter term students' home schools
November 16, 2011	Winter term packets returned to SBA to ensure appropriate course planning
November 28, 2011	Winter Term Start Date
January 2, 2012	Middle School and Alternate Winter Term Start Date
March 1, 2012	SBA Winter Term Coordinators re-establish contact with winter term students' home schools
March 30, 2012	Winter Term Ends
April 8, 2012	Winter term grade reports mailed to students' home schools
